

Leech Lake Youth Hockey

Present

Skating Skills Clinic

(with Frank Burggraf & Coaches)

If you are serious about your hockey or just love playing the game, we can help you reach your full potential as a hockey player. From October 24th – November 5th we will be running a series of skill clinics for coaches and players as well as providing ice time for additional skating opportunities such as pond hockey, 4 on 4 and varsity captain’s practices. We will be kicking off the clinic with a coaches clinic on October 24th, Dick Emahiser will offer new techniques and drills to build on our past clinics. Starting October 26th participants will have the opportunity to not only improve their skills, but help improve the development of their team and entire association with Frank Burggraf. Pete Stahnke and Craig Brand will wrap up the clinics starting on November 1st – 4th. Take time to browse the ice schedule at www.leechlakehockey.com for clinic times. The opportunity to use the ice between October 24th and November 5th will be limited to those who register for the clinic. The clinic is available to 2nd year Mites through Varsity, as well as girls 12U and 14U. The Board of Directors and the Hockey Development Committee have worked hard to provide this opportunity for our players, please take advantage of it. **Cost: \$75.00**

Visit www.burggrafskating.com for more information about Frank Burggraf and his clinics.
