

Hockey Tournaments
Peewee B
Jan 8-10, 2010

On behalf of the Leech Lake Area Hockey Tournament Committee, thank you for choosing to attend our Peewee B tournament, January 8-10!

We do our best to host quality, fun tournaments. Walker is a very small town but has lots to offer; whether you walk downtown Walker, or get out and explore the area, you'll find much to see and do here.

This tournament has five teams in it; very tough to make a perfectly fair bracket. We did our best and are looking forward to providing the teams with lots of hockey and great fun. A Minnesota Hockey team can only play two games in one day and there are other restrictions regarding rest and play, for this reason the rules of this tournament are particularly important, be sure to read them.

To find the Walker Area Community Center: From Main Street (Hwy 371 and 200), take 2nd Street up the hill (South). 2nd Street is between the Health Clinic and the Museum/City Hall on the east end of town. At the top of the hill you'll see the Community Center on your left.

Join us for the Spaghetti Feed on Friday night and Breakfast on Sunday morning! These are served in the Rotary Room at the Walker Area Community Center.

We will have free drawings for Hockey Moms and a special opportunity for two Hockey Moms to win her choice of Moondance Jam or Moondance Jammin Country event tickets!

We are very happy you have chosen to travel to Walker to play hockey. We will do our best to help you enjoy both the hockey and our area.

Mitch Loomis
